## 1. RIDERS ONLINE REGISTRATION PROCEDURE

The online registration system will be activated on 24<sup>th</sup> May 2011, and federations will be able to enter riders up until the following deadlines;

**Deadline for Challenge classes: 24<sup>th</sup> June 2011**  
**Deadline for Championship (elite) class: 14<sup>th</sup> July 2011**

All federations are asked to use the UCI online registration system. A penalty fee of 10 € will be added to all entries outside the online system, as well as for late entries. Note that any late entries can be rejected by the UCI.

You can enter through the UCI website clicking as follows:

- **Web services** (on the homepage on the right side, last link)
- **WORLD CHAMPIONSHIPS**
- **“Riders registration”** (riders accreditation included)

Access: personal login and password of each National Federation.

The screenshot shows the UCI website homepage. On the left is a vertical navigation menu with categories like Road, Track, Mountain bike, etc. The main content area features a banner for 'UCI World Championships' in Stuttgart (GER) from 26-28.11.2010. On the right, there is a search bar and a vertical menu with various links. The 'Web services' link at the bottom of this menu is circled. To the right of the main page, there is another search menu with a list of links, including 'Web services', which is pointed to by an arrow.

All riders must enter through their national federation; no individual entries will be accepted.

After the close of pre-registration, all federations which entered riders for the 2011 UCI BMX World Championships will receive an invoice on the entry fees.

Please note that invoices will be sent by the Organizing Committee, and all payments shall be done to the Organizing Committee.

(9 categories).

TOTAL: 43 categories

#### 6.1.005 Categories Masters level

Men: 30 and over  
(1 category)

#### and 9.2.047 Categories

The categories for which the title of world champion will be awarded are as follows:

##### a. STANDARD BICYCLES, (male/female riders), championship level:

- Elite Men - 19 & over;
- Elite Women - 19 & over;
- Junior Men - 17 & 18;
- Junior Women - 17 & 18.

##### b. STANDARD BICYCLES (male riders) masters level:

- Masters - 30 & over.

#### 9.2.047 bis Competition format of the world championships (only for A category outlined in article 9.2.047).

The world championships are run in two phases, the first consisting in a time trial event by which the participation in the second phase, i.e. qualifiers stage (including the final) will be determined. In addition the time trial determines the time trials world champion.

- Age determination: according to article 6.1.001 Age of Participants

A rider must be at least 5 years of age to compete in a UCI sanctioned BMX event. The minimum age of 5 refers to the real calendar age on the day of race commencement. The category a rider is eligible to ride is determined by his age which shall be calculated by deducting the year of birth from the current year.

- Class composition & Combination rules: according to 6.1.007 Combination rules

Five riders shall constitute a category.

If less than five riders register for a category, they will be combined with an older category.

However, cruiser categories with a maximum age of more than 34 shall be combined with the next younger category. In the case that any under-subscribed category cannot be combined according to this rule, this category shall not be run.

If the adequate numbers of five riders are registered, the category will be run even if less riders show up. If five or more riders register for a category and are present on race day, the category will not be combined in those cases where injury or illness prevents the requisite number from actually engaging in competition. No competing category at championship level can be combined with a competing category at challenge level and

vice versa. Except as provided by the combination rules, no rider is permitted to compete outside of his age or gender group. All categories will eventually transfer to a final, which shall determine the final result.

- Transfer system: according to Appendix 3 in part 6 of the 2011 UCI rule book as well as outlined (for elite classes) in 9.2.047
- Race numbers & number plates: according to

#### 6.1.071 Number plates

During competition, riders shall be identified by an identification number as provided in articles 1.3.073 and 1.3.074.

Without prejudice to the provisions concerning the international permanent race number system, a rider will be assigned a random number at each event

#### 6.1.072

Each bicycle entered into competition must have a number plate attached to the front of the handlebars.

The upper edge of this number plate may not extend above the crossbar safety pad on any handlebars having a crossbar. Number plates must be made of plastic or other similar flexible material. Riders must use the plate and number colour combinations specified for the category in which they are racing as follows:

Elite Men, Elite Women: white plate, black numbers;

Juniors Men, Juniors Women: black plate, white numbers.

Challenge level:

Men, Boys: yellow plate, black numbers;

Girls, Women: blue plate, white numbers;

Cruiser: red plate, white numbers.

If a photo finish system is utilized, each bicycle entered into competition must display a lateral number plate/sticker located just behind the steer tube. The number shall be black with a white background. The height of the number must be a minimum of 8 cm with a width of 1 cm. In all UCI sanctioned BMX events a rider must display the number assigned to him according to the rules set forth in § 10. A rider who fails to display the correct number will not be scored. The area of the plate that provides a background for the number must, during the entire duration of a competition, be kept free of markings, stickers or other impediments to the number's legibility. Riders may not cut, mutilate or put additional stickers or marking on their number plate if it's provided by the Organiser.

#### 6.1.073

The international permanent race number system is for Elite Men & Elite Women category only. This system allows riders to choose a specific number for themselves which they have the exclusive right to use for their entire Elite category career.

#### 6.1074 Number Criteria's

Any licensed rider in the category Elite Men and Elite Women can choose a permanent career number between 10-999. A chosen number will be exclusive for the rider, and cannot be used by any other elite category (including Junior and Cruiser categories). The number must be used in all categories (standard or cruiser), at all international BMX events. A chosen number will remain as long as the rider receives UCI points during the season, although the number will be assigned to the rider for 2 additional years (without points) before becoming available again. A number plate with white background and black numbers shall be used, according to article 6.1.072. and

#### 6.1.075

Number 1 - 8 are reserved and will be assigned to the top 8 finishers in the previous years BMX world championship in the standard class, and can be used for the upcoming season. A rider who is eligible for number 1 - 8 must choose between his «career» number and his world championship number for the season. In the event that he chooses his world championship number, the career number will remain and not become available to anyone else.

- Pre-registration: is subject to the following restrictions:

**All Challenge Classes (including Masters);** each national federation shall be permitted to register up to 16 riders in each challenge category which is scheduled for competition. The host organisation may register a greater number of riders in each limited category, with a maximum of 32 riders.

**Championship classes (Standard bicycle);** at standard bicycle races, in the elite and Junior Elite categories, a rider may only be entered if:

- He has scored at least 1 point in the UCI ranking in the current world championship qualification year.
- He scored at least 1 UCI ranking point at the immediately preceding world championships

In addition according to

6.4.005 Registration of participants

Riders wishing to compete in the UCI world BMX challenge may register only under the auspices and through the agency of their national federation. All competition entry dates must be adhered to and no late entries will be accepted. All race fees and entry forms must be forwarded to the UCI office by the national federation.

Pre-registration for the world BMX challenge is subject to the following restrictions: Each national federation shall be permitted to register up to 16 riders in each challenge category which is scheduled for competition. The host organisation may register a greater number of riders in each limited category, with a maximum of 32 riders. This excludes main finalists at the world BMX challenge event of the previous year. These riders can be added on top of the riders selected according to the above criteria. And article:

9.2.048 Registration of participants

At standard bicycle races, in the Elite and Junior Elite categories, a rider may only be entered if he scored at least one UCI ranking point in the current world championship qualification year or at the preceding world championships. A national federation may enter up to three riders who do not meet the requirements of the criteria listed above. Furthermore, each national federation shall be permitted to register up to 16 riders in masters.

#### **Competition format**

Class composition according to article 6.1.007.

Transfer system according to appendix 3 in part 6, only for category B and C outlined in article 9.2.047.

Number plates according to articles 6.1.071 and 6.1.072 (part 6) of the 2011 UCI rule book

- Team competition: according to chapter VI of part 6 of the 2011 UCI rule book.
- National jerseys: according to 6.1.056 of the 2011 UCI rule book and § 5 from chapter 1 of the 2011 rule book.

#### **4. RIDERS ON SITE REGISTRATION**

Federations shall announce the names of the riders who are to take the start to the administrative commissaires and collect their plate number on:

**Sunday 24 July 2011, from 14:00 to 18:00**

**Monday 25 July 2011, from 09:00 to 11:00**

Where: **At the Team Registration Centre located at the riders' entrance (see venue map).**

**All National Federations have to show up at the time of the riders' registration to ensure the participation of their riders.** The accreditation pick-up for a rider cannot be considered as a confirmation of his participation.

#### **Remarks**

Once a number plate has been collected, any rider being injured or ill needs to be declared unfit to start by the **UCI Official Doctor**.

## **5. ACCREDITATIONS**

Please note that each National Federation taking part in the 2011 BMX World Championships must register with the UCI all persons included in the delegation, using the interactive online system.
